- ✚ Please send your no-cost/low cost COVID -19 & Transition Related Resources & Student Learning Strategies to [linda\\_oneal@cox.net](mailto:linda_oneal@cox.net) so we can share with each other on our google drive. We need items that pertain to all stakeholders, including students, families, adults with disabilities, educational staff, administrators, service providers, community colleges, universities and any other interested individuals.
- ✚ Consider providing newsletters/emails and other social media to your students, families, co-workers, and business partners to ensure they get information that may include COVID-19 resources and emergency food distributions in your community.
- ✚ Keep in mind, many of these resources are free now, but may have a cost associated with them after the Pandemic is over. On a good note this does allow you the opportunity to try them out for possible purchase at-a-later-date.
