

# paid work experience training

Our job training program helps Program Participants develop the skills they need to secure employment and be effective in the workplace. Each of our job training opportunities simulate the workforce, provide real-world experiences and reinforce critical professional behaviors.

## GROCERY

“I have learned how and where to stock every product in the store. It feels good to help customers and see them buy things that I stocked.”

-Sean T.

## HOSPITALITY

“I love checking guests in! I am proud of myself for learning the check-in system on the computer. I also love running the carpet cleaning machine and getting the rooms ready for the guests.”

-Alex C.

## PROGRAM HIGHLIGHTS

- Paid job training
- Flexible, part time hours that can accommodate school schedule
- Transportation assistance
- Exploration of multiple job industries

## OUTDOOR MAINTENANCE

“It feels good to be outside working in the fresh air. It is hard work, but I feel like I could work anywhere now because I know how to use outside tools and materials.”  
-Veer G.

## FOOD SERVICES

“I like helping in the kitchen and cafeteria areas. I want the customers to feel like they are eating somewhere very clean and important.”  
-Anthony G.

## WAREHOUSE & DISTRIBUTION

“I’m learning to work at a faster pace. I’m always moving and communicating with coworkers. I feel like I am exercising my body and mind.”  
-Kyle O.
