SLDC Adult Programs

Adult Life Skills Academy

The Adult Life Skills Academy is a community-based camp program serving adults with developmental disabilities who are between 22-40 years of age. The program schedule is from 9:00am to 3:00pm, Monday through Friday. The instructional staff to participant ratio of 1: 3 allows for all participants to develop their own unique abilities at their own pace. The program meets at Speech and Language Development Center before integrating into the surrounding neighborhood & businesses for meaningful community access & instruction.

PEERS Social Skills Group

Our adult group, age 18-35, meets 1 time per week for 16 weeks to work on relational skills such as, building and maintaining friendships, dating, bullying in a group setting.

For more information contact Monica Singh at msingh@sldc.net or 714-821-3620 ext. 284

Adult Aphasia Group

The Adult Aphasia group is actually the foundation for this school. Aleen Agranowitz was an expert in Acquired Aphasia and this group was originally formed in her home. The Aphasia Group meets weekly on Tuesdays from 1:30-2:45. Clients come for group therapy, but also enjoy being donors for the children.

SCHOOL PROGRAM

Why SLDC ?

Our campus offers K-Transition educational programs geared to uncover the potential of students in classrooms with low student to teacher ratios, push-in and pull-out therapy services on site to maximize instructional minutes. Our programs offer enrichment opportunities to support development of healthy habits at our Fitness Center, technology skills in our Technology Lab and STREAM Lab along with accessing their therapies in either a group or individualized setting.

Schedule

Monday- Friday from 8:30am-2:30pm

Transportation to and from school is available.

At SLDC students and parents do not hear the words Can't, Won't, Never- your child will never speak, your child can't learn- We focus on the child's abilities and unlock the skills they have within. Maximizing the potential for every child and young adult is the mission of SLDC.
