

Orange County Local Partnership Agreement (OCLPA)

Workforce Development Program Information Sheet

Program Title:	Get Safe
Ages Served:	Adult
Location(s): <i>(Address)</i>	
	Orange County Area (services coordinated to be provided at home/work/school site)
Summary:	
	<p>Get Safe has existing contracts and vendorization through RCOC, through which a variety of services can be initiated. Our Get Safe Consumer Advocacy Team (GSCAT) program offers tailored, person-centered advocacy, safety and healthy relationship curricula in a one-on-one setting. Get Safe case managers conduct an intake assessment that then leads to 3, or more, months of, at least, weekly home and community sessions to address issues specifically pertinent to enhancing safety, workforce development, appropriate behaviors, risk reduction and enhanced communication skills. The program utilizes circles of support and provides case management aspects to identify additional resources and systems that can better serve the individual and their family. Get Safe also provides programming specifically addressing Healthy Relationships and Safety Education, in both small group and individualized settings through RCOC.</p>
