	HBUHSD Transition Services provide a wide array of instruction and coordinated activities, identified through the person-centered-planning/self-determination process, to assist and guide students and their IEP team towards the student’s postsecondary, employment and independent living goals. Each comprehensive campus in our district is fortunate to have an “assigned” Certified Staff member at their respective site to deliver these services to our students. The HBUHSD Transition Model currently works in conjunction with the following partners: WA I, TPP, CaPROMISE, DOR, RCOC, and Cci. HBUHSD actively participates in Transition directed efforts: Coastal OC Business Advisory Council, OCATTF, OCEAN, DOR Work Services, Chapman U TPI, and the OC LPA efforts.
