Workforce Development Program Information Sheet

Program	
	Orange County Department of Education Adult Transition Programs
Locations	
	Saddleback College
	Golden West College
	Harbor Learning Center
Summary	
	OCDE Adult Transition Programs provide intensive transition planning services for students 18-22 years of age. The Adult Transition Programs are designed to help students move with maximum success from school to post-school placement in continuing education, community, and integrated work settings. This program emphasizes student independence, choice making, communication skills, integration in college activities and classes, and transition to integrated work. Career and Technical Education (CTE) areas of study are incorporated in the programs.
