Orange County Local Partnership Agreement
(OCLPA)
Workforce Development Program
Information Sheet

Program	
	Regional Center of Orange County Employment First Programs
Location	
	To be determined on an individual basis
Summary	
	This program model must include a job that meets the definition of competitive integrated employment. Prior to an employment opportunity being secured, individuals may choose to participate in another program model provided by the same vendor. Support hours can be flexible, based on each individual's work schedule. Job coaching provided at the individual's job may be provided up to 100% of hours worked, in a 1:1 staffing ratio. In addition to support provided at the individual's job, curriculum for supports to be provided outside of the individual's job may include training in the following areas: self-advocacy, self-care, vocational/volunteer opportunities, and community integration.
