## Workforce Development Program

### Information Sheet

Program	
	Career Start Saddleback Valley Unified School District (SVUSD)
Ages Served	
Location	
	25121 Pradera Drive Mission Viejo, CA 92691
Summary	
	Career Start works to empower young people with disabilities to increase their level of independence by providing work readiness, vocational instruction and self advocacy to achieve competitive integrated employment. Career Start has a WorkAbility 1 program that provides services to students in special education in intermediate school and high school. We partner with the Department of Rehabilitation for our Transition Partnership Program (TPP) which serves students with disabilities at the high school level. Career Start also has a Ticket to Work Program which services our community.
