

Build the Workforce of Tomorrow Provide Work Experience Today

Can you provide a student aged 16-21 with work experience in your business?

Business Testimonial

“The Charles Paddock Zoo’s staff is very pleased with our partnership with the DOR. Without the partnership with the DOR, students like Bradyn would probably not be able to intern with the zoo and the zoo would have never had the opportunity to have worked with this extremely hard-working and mature student.” Flavia Parotti Lead Zookeeper

School Testimonial

The Imago Dei School is pleased to be working with the DOR and their Student Services Staff to help young people with disabilities become employable, give them work experience and mentorship opportunities. Mrs. Howell, Principal of Special Education, shared, "it's very exciting to give these young people opportunities to learn important skills that will help them to live independently."

Funding is available to pay the student’s wages, workers compensation, and unemployment insurance contributions for 100+ hours

Referral is simple: Call your DOR contact today!
