Modules 7, 8, 9: Borrowing Basics, Managing Debt, Using Credit Cards

Modules 10, 11, 12: Building Your Financial Future, Protecting Your Identity and Assets, Making Housing Decisions

Modules 13, 14: Buying a Home, Disasters - Financial Prep. and Recovery

Finding Transferable Skills - Transferable skills are skills you have acquired during any activity in your life--virtually any skills are transferable and applicable to what you want to do in your next job. This workshop is all about finding those skills in your resume to apply them to other positions you may be interested in.

How to: Resume and Cover Letters - Learn how to create a resume and what employers want to see on that resume. Become familiar with multiple resume styles as well as cover letters. Understand the importance of key words to develop your resume.

Identifying Career and Upskilling Opportunities - In this workshop, learn about the industries that boomed and bloomed despite the pandemic and what industries to keep an eye on for a future career. We also go over different training and certificate opportunities so you can get into those in-demand careers!

Interview Tips and Best Practices - This workshop covers the different aspects of interviews and virtual interviews: what to expect, how to prepare, what questions you should be asking, and appropriate follow-up techniques after your interview

Navigating LinkedIn - LinkedIn is a free job search website that is actually capable of so much more! Learn how to create your profile, job search using different filters, tell if a job has been posted by a recruiter, how to network yourself professionally with friends, family, co-workers, and more!

Workforce Solutions Orientation - The OC WorkForce Solutions Orientation will provide you with information about our programs, educational opportunities, tools, and resources available to help you in your job search. You will also learn about the Workforce Innovation and Opportunity Act and services available at the Center through community resources and partners.

Resume Review - For those who need additional help with their resume and/or cover letter writing, this lab is for you! *Recommend: How to: Resumes and Cover Letters if you have never made a resume before. ****For virtual attendees, this workshop will be done via Email!**

Selling Your Strengths in an Interview - This workshop covers how to sell your strengths in an interview! Learn about the different types of interview questions, the goals of the questions, and how to incorporate your strengths and experiences into your answer. See examples of how you can strengthen your interview responses to stand out to employers.

Soft Skills in the Workplace - This workshop goes over the different types of soft skills, otherwise known as people skills, and what they look like in the workplace. We also go over how these skills (Organization, Leadership, and Teamwork) highlighted in your resume to show that you have the skills employers are looking for!

Virtual Mock Interview – A great way to practice interview skills as well as gain insight into what your job interview experience will be like. Mock Interviews will focus on questions pertaining to experience, character, and applicable skills, all while helping you conquer any interview anxieties. ****For On-site Virtual Mock Interviews, interviews will be hosted on-site. Clients will then be able to practice how to set up a virtual interview or proceed with the interview in-person**
