Note: SOP document developed by Valerie L. Mazzotti and Sharon Richter for the North Carolina Department of Public Instruction.

#### \*\*\*\*A Reminder about how the SOP helps with the Post-School Outcomes Survey:

This SOP will help us contact you after you graduate from high school. We want to learn from former students how we can make high school transition services better in North Carolina. One year after you leave high school, we will contact you to take a survey about what you are doing after high school. It's quick, easy and important!

## **Summary of Performance Checklist**

IDEA 2004 requires that, "for a child whose eligibility terminates due to graduation from secondary school with a regular diploma, or due to exceeding the age eligibility for FAPE under State law the public agency must provide a summary of the child's academic achievement and functional performance, which shall include recommendations on how to assist the child in meeting the child's postsecondary goals [300.305(e)(3)]."
