A Story Of Hope
BRYAN BAILEY

Bryan Bailey

Hi friends - My name is Bryan Bailey and I am from Orange County, California. I'm 38 and I've been working with kids for the past 23 years. My passion is to help kids learn, grow and be inspired! I know what it's like to deal with loss. My first set of books, The Light And Friends series, is here for children of all ages to comfort and give hope to anyone who has lost a love one. Thanks for reading and there's more to come! The books are available on Amazon. Life Coach

Jennifer Bright

Sometimes the path does not lead where you think it's going, but it leads you to where you're supposed to be. I was married and now widowed. I have fought to be accepted in society. I can relate to many people on a deep level.

ColesAbstractArt

Cole Sarver

My name is Cole Sarver and I own the Etsy shop ColesAbstractArt. I have autism and scoliosis with lung disease but I don't let that stop me. I sell my art thru my Etsy shop, ColesAbstractArt.

DJ Services

Teresa Burnett

Hello, I am Teresa Burnett and my stage name is DJ B Diamond. I love people, music, and dancing. That's why I'm following my dream of being a DJ. Having Down syndrome has not stopped me from being a confident and very capable adult.

Carla's Movie Restaurant

Carla Sramek

Hi, I'm Carla Sramek, owner of Carla's Movie Restaurant. I started CMR as a pop-up over 10 years ago to showcase artists of all abilities in a community setting. I am also an artist. CMR is a nonprofit organization, and I am ready for a permanent partner in a restaurant.

Music Lessons

Danny Dubois

More parents and teachers of special needs children are starting to realize the remarkable connection between music and autism. Research has shown that when people with autism interact with music on a regular basis, their behavior and communication skills improve. I offer guitar, piano, drums, and singing lessons.

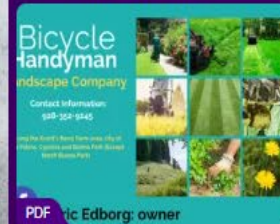

Autism Services

Sean Sullivan

"I know Autism" started because its founder, Sean Sullivan, who also has autism, understands the frustration that people with ASD and other disabilities experience when trying to find employment. I decided to start "I know Autism" to inspire and encourage people with disabilities to reach, fight and advocate for their goals!

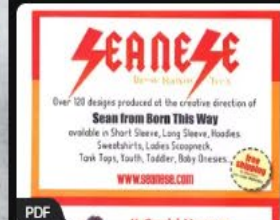

Landscaping Services

Eric Edborg

My name is Eric Edborg and I'm 42 years old. I enjoy landscaping. My business has a Facebook page if you would like to see some of my landscaping opportunities.

T-shirts and Inspirational Speaker

Sean McEwee

When I was little, my parents had to translate my speech because nobody could understand me. They said I spoke "Seanesse." Now I am putting my thoughts and sayings on shirts so you can speak Seanesse too!

Shredding Business

Alan Martin

I A.M. the Shredder!
