## Our SPEAKERS

Dr. Richard Villa is president of Bayridge Consortium, Inc. and is an internationally known expert on the development of general education support systems. Dr. Jacqueline Thousand is professor emerita at California State University San Marcos and vice president of Bayridge Consortium. She is a well-known national and international teacher, author, systems change consultant, disability rights and inclusive education advocate.

## Our OUTCOMES

- Deepen their understanding of the rationale for co-teaching and what co-teaching is and is not
- Examine the unique features, potential benefits and pitfalls associated with the four predominant approaches to co-teaching
- Be provided with tools and assessment instruments designed to facilitate trust, communication, coordination of effort, role clarification, and lesson planning while answering the most frequently asked questions about co-teaching

Individuals with disabilities in need of auxiliary aides and services may request assistance by contacting [mgharib@ocde.us](mailto:mgharib@ocde.us). OCDE may take photographs of participants at the event. These photographs might be used to document the event, promote events in written materials, posted on the OCDE website or supplemental webpages, or on the digital frame in the entry to the OCDE offices.
