

The background of the entire page is a dark green, textured pattern of succulent leaves. On the left and right sides, there are vertical strips of more detailed succulent plant photos, showing various shades of green and some brownish edges of leaves.

COASTLINE COLLEGE
COAST VOCATIONAL PROGRAM
PRESENTS

HORTICULTURE PROGRAM

Students will learn to grow and care for drought tolerant, ornamental, and edible plants and basic grounds-keeping skills for a variety of career options such as residential and commercial gardening, grounds-keeping, or landscaping

CLASSES HELD AT COASTLINE'S
NEWPORT BEACH CENTER
1515 Monrovia Ave. Newport Beach, CA 92663

The horticulture program is a 4-semester program. Upon review of a complete application, each applicant will be scheduled an individual interview, group interview, and assessment before acceptance to the program
