& NEURODEVELOPMENTAL DISORDERS

Autism and other  
Neurodevelopmental  
Disorders

We have  
answers to your  
questions about  
available  
services after  
age Three!

## **FREE SUPPORTING EARLY CHILDHOOD! ZOOM Workshop for Families**

### **The Class**

The Center for Autism & Neurodevelopmental Disorders is offering a presentation for parents and caregivers about transitioning a child with developmental delays from Early Intervention services to Preschool and/or other Regional Center Services, including Self Determination.

Parents and caregivers will have the opportunity to get answers to their questions about their child's development.

This class is recommended if you are parenting a child ending RCOC's Early Start Program, three years and older.

### **Become Empowered!**

- \*Learn the rights of your child!
- \*What services can I get after age three?
- \*When I am told no, what steps can I take next?
- \*How can I make sure my voice is heard?
- \*Why ABA and other Therapies benefit my child!
