# YOUTH CONSERVATION CORPS

**Scan the QR code to apply.**  
For Questions or concerns please  
contact Taylor Livingston at  
[taylor.livingston@usda.gov](mailto:taylor.livingston@usda.gov)

Spend your summer learning about environmental stewardship, land management, leadership skills, and personal development. Participants will complete conservation-based projects such as campground maintenance, trail maintenance, and historic restoration at USDA's Forest Service Lake Tahoe Basin.

Pay: \$2,400/monthly stipend  
Duration: 4 weeks starting July 9th

### YCC Applicant Requirements

- Be at least 18 years of age by the start of the program and have not reached age 19 by the end of the program.
- Be a citizen or permanent resident of the United States
- Be available for entire duration of the program.
