- The mission of the Transition CA website is to promote and support successful transition to employment, independent living, and quality life for individuals with disabilities, including those with significant disabilities.
- The website is designed for individuals with disabilities, families, educators (K-12 / ATP & post-secondary), service providers, and business leaders.
- The Transition CA website is supported through the Thompson Policy Institute on Disability (TPI) at Chapman University. TPI is committed to providing a website that is accessible to the widest possible audience, regardless of technology or ability. We are actively working to increase the accessibility and usability of our website.
