Ethical Issues in Incapacity & Supported Decision Making

Katherine H. Chew

Statement of Need

These CME lectures are being held for UCI and community physicians to increase knowledge and give updated information on Department of Pediatrics topics and research.

Target Audience

Attending physicians of the UCI Division of Department of Pediatrics located at UCIMC and the Long Beach VAMC, community physicians and other health care professionals.

Objectives

At the conclusion of this activity, the participant should be able to:

- 1. Overview of the Probate Conservatorship Reform and Supported Decision-Making Act**
- 2. Basic Elements of A Supported Decision-Making Agreement**
- 3. Emerging Ethical Issues**

Faculty Disclosure

Maureen and Marlene have disclosed that she has no financial relationships to disclose.

Course Director/Planners

All those in control of the content of this activity have no financial relationships to disclose except for Peter Chung, MD. Dr. Chung has disclosed that he is a consultant for Yamo Pharmaceuticals. Dr. Chung further discloses that he will recuse himself and defer to Dr. Sara Bollens in the planning of any activity content related to his disclosure information.

Accreditation Statement

The University of California, Irvine School of Medicine is accredited by the Accreditation Council for

Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement

The University of California, Irvine School of Medicine designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

ADA Statement

In compliance with the Americans with Disabilities Act, we will make every reasonable effort to accommodate your request. For any special requests, please contact Aisa Green-Hurley (949-267-0444) before the meeting date.

California Assembly Bill 1195 and 241

This activity is in compliance with California Assembly Bill 1195 and 241, which require CME activities with patient care components to include curriculum in the subjects of cultural and linguistic competency & implicit bias. It is the intent of AB 1195 and AB 241 to encourage physicians and surgeons, CME providers in the State of California, and the Accreditation Council for Continuing Medical Education to meet the cultural and linguistic concerns of a diverse patient population and reduce health disparities through appropriate professional development. Please see the CME website, www.meded.uci.edu/cme, for AB 1195 and AB 241 resources.
