The Effectiveness of Toastmasters for Individuals with Autism

Preliminary Results on OAR Study - Amplifying Autistic Voices

Dr. Sasha Zeedyk
Department of Child and
Adolescent Studies
California State University,
Fullerton

Dr. Yasamin Bolourian
Director of Outreach and
Dissemination
UCLA Tarjan Center

Join Us on Monday, September 23

7PM – 9PM

ONLINE MEETING

Join Dr. Sasha Zeedyk (CSUF) and Dr. Yasamin Bolourian as they share the exciting results of the first phase of their Organization for Autism Research (OAR) funded, Amplifying Autistic Voices: A Study of Toastmasters and Autism, where they will share the results of dozens of in-depth interviews with autistic members of Toastmasters, their caregivers, coaches and mentors regarding the benefits of Toastmasters.

Free ONLINE Event. Please RSVP
